

WOMEN'S FORUMS

IT TAKES A VILLAGE

INVITE

Presented by Whitehorse City Council on Wednesday 30 October

City of Whitehorse holds two women's forums annually on new and emerging issues of interest to women. The next Whitehorse Women's forum will cover the idea that "it takes a village" and will look at how to connect with your neighbour and community in these busy times as well as the benefits of doing so.

Guest Speakers:

Sophie Taylor and Jo Connor – Whitehorse Good Karma Network

The values of Good Karma Networks are openness, compassion and empathy, collaborative problem solving, unity and inclusion, positivity, empowerment and action. We all have challenges from time to time; and between us, we have plenty of resources, knowledge, time and skills to share. The Whitehorse Good Karma Network encourages us to ask for help, invite trust and provides an opportunity for greater connection.

Belinda Young – The Mums of the Hills (MOTHS)

The Mums of the Hills group is a Women Only support and networking group for Mums within the Dandenong Ranges and Surrounding suburbs of Melbourne. The group aims to help share the load we all carry and be a safe space for local mums to get advice and create connection.

Carla Reardon – Crime Prevention Officer, Victoria Police

An engaged and connected community has many benefits and hear Leading Senior Constable Reardon speak to us about the crime prevention and safety benefits of connection.
