Mr D J Coad  
81 Orchard Crescent  
MONT ALBERT NORTH VIC 3129

Dear Mr Coad,

**AUTHORITY TO REMOVE VEGETATION – SLO 9 and VPO 2**

This notice authorises the removal of four (4) mature Eucalyptus trees situated in the rear yard of 81 Orchard Crescent, MONT ALBERT NORTH VIC 3129.

The urgent removal of the vegetation is required because the vegetation presents an immediate risk of personal injury or damage to property, and is therefore exempt from the provisions of Clause 42.03-2 of the Whitehorse Planning Scheme.

Works required to remove the tree must be completed within 28 days.

No further Whitehorse City Council permits are required for this authorised vegetation removal.

After the tree has been removed, Council require you to plant three replacement canopy trees of a species that is native to the area in order to promote and enhance the character of the significant landscape in the vicinity. The trees should be planted in a suitable position of your choice on the property.

Should you have any further queries, please do not hesitate to contact me on the above number.

Yours faithfully,

DANIEL ALLEN  
Planning Enforcement Officer  
Planning and Building Department
